PUBLIC NOTICE OF INTENT NUMBER W12 3453(I)

**WMA USER PERMIT:** All persons participating in hunting, fishing, or trapping on this wildlife management area, except those exempt from purchasing an annual hunting or fishing license, must carry on their person an annual statewide Wildlife Management Area User Permit. This permit is required in addition to the daily visitor use permit and any required license.

**BAG LIMITS:** Same as statewide bag limits.

**PERMIT STATIONS:** All visitors must obtain a DAILY VISITOR USE PERMIT card from a self-service permit station. Parts A and B of this permit must be legibly filled out before using the WMA. Part A of the permit must be deposited in the return box at a permit station before using the WMA. Part B must be displayed on the dash of the vehicle so that the name, address, and date are visible from outside the vehicle. Permits are invalid if not properly dated or if date has been changed. Before leaving the WMA, visitors must complete the reverse side of Part B of the permit and deposit it in the return box at a permit station. It is the responsibility of the Area Manager and other Agency personnel to have permit cards completed.

**DEER DATA COLLECTION:** All deer harvested must be checked at the WMA Headquarters before leaving the WMA. If WMA personnel are not available to check the deer, the hunter is responsible for collecting and legibly recording ALL biological data. Instructions and equipment will be provided.

**LEGAL BUCKS:** Legal bucks are those with an inside spread of at least 12 inches OR one main beam length of at least 15 inches. For hunters less than 16 years of age, one of the three buck bag limit may be any antlered buck.

**ANTLERLESS DEER REGULATIONS:** This WMA is NOT open to antlerless deer hunting during statewide either-sex gun days(Dec. 15 - 16).

**DEER WEIGHT LIMIT:** All antlerless deer must weigh a minimum of 65 pounds live weight to be legal for harvest. The average live weight of an adult doe on this WMA is 86 pounds. Any harvested antlerless deer less than 65 pounds live weight is an illegal deer.

**DOG RESTRICTIONS:** Deer hunting with dogs is prohibited. Small game hunting with dogs is allowed during any small game season.

**LEGAL WEAPONS:** Only centerfire rifles, shotguns with slugs, primitive weapons, and centerfire handguns may be used for deer hunting. Legal weapons for small game hunting (excluding waterfowl) during daylight hours are shotguns using #2 shot or smaller, rifles or handguns no larger than .22 rimfire magnum, muzzleloading rifles of .40 caliber or smaller, and archery equipment using arrows with points other than broadheads. When hunting with a handgun, no other gun may be in possession. Only archery equipment and shotguns with #2 shot or smaller may be used for turkey hunting.

**OFF-ROAD MOTORIZED VEHICLES/ATVs:** Off-road vehicle use will be governed by US Forest Service regulations. For additional information, contact the Forest Service at (601) 928-4422. On Weyerhaeuser property within the wildlife management area, off-road motorized vehicles/ATVs are allowed for the retrieval of harvested deer or hogs only. No loaded weapon may be in possession when retrieving harvested game.

**HORSES:**

USFS Portion: Hunting from horseback is allowed.

Weyerhaeuser Portion: On Weyerhaeuser property within the wildlife management area during WMA deer and turkey seasons, horseback riding is restricted to roads open to motorized vehicles. Raccoon hunting from horses is allowed on entire area during nighttime hours.

**CAMPING:** Camping is allowed in designated areas only (see map). In addition to the regular daily visitor use permit, campers must fill out the front side of another daily visitor use permit from a self-service permit station and display it so the name and address are visible from the outside of the camping unit. Camping is limited to 14 consecutive days. Camping equipment may not be left unattended for more than 24 hours. All camping equipment and garbage must be removed before final departure.

**BEARS:** Black bears may occur on this WMA. They are federally protected as a threatened subspecies. Hunting or disturbing bears is prohibited. Please report any bear sightings on your daily visitor use permit.
